

2019 ALSA Llama Show w/ Alpaca Performance

This show is approved by the Alpaca and Llama Show Associations Inc. All rules and guidelines for this show will be in accordance with the 21st Edition ALSA handbook. Your ALSA membership number and all ALSA Llama numbers must be on the registration to ensure accurate reporting to ALSA.

You may obtain more information on ALSA membership and/or an ALSA llama membership number by contacting the ALSA office at 281-516-1442. All llamas entered in approved classes, with the exception of youth classes, must be registered or have passed screening with the International Llama Registry (ILR) or the Canadian Livestock Record Corporation (CLRC). Alpacas must be registered by the Alpaca Owners Association (AOA), Alpaca Registry Inc. (ARI) or by the Canadian Livestock Record Corporation (CLRC).

If non-breeders are not registered and wish to be in the ALSA award system and wish to show in halter, they must show in the Adult Non-Breeder Halter Class.

Exhibitors must be registered owners and must make entries in the exact names (owner and animal) as shown on the llama's ILR registration certificate. A photo-copy of the registration papers must be sent with the entry form for each breeding llama.

Exhibitor/owners may use "Permission to Show" form provided by ALSA which grants permission from the owner named on the registration certificate to a person who is using an animal to show under their name. Failure to meet these requirements prohibits entry in the show.

All llamas must be registered in the correct wool division as described in the 21st Edition ALSA Handbook.

If not clearly visually evident, non-breeder llamas must be accompanied by registration of a vet certificate verifying the llama is a gelding, a vasectomized male, or a spayed or non-productive female. Nursing llama mothers may NOT be accompanied in the ring by their babies. ALSA recommends not showing nursing mothers.

Llamas may not be moved from one class to another after halter judging has begun, except at the judge's discretion.

The registration form must be signed and dated or registration form will be returned!

Youth may show in either the Youth Performance Classes OR Novice, Advanced, or Masters Performance, but not in both unless different llamas are used. Points earned in the Youth Classes are awarded to the youth, whereas points in Novice, Advance and Masters Performance are awarded to the llama.
